PATIENT'S ID#: _____

Georgia Prescription Verification

It is important that a Georgia Prescription Verification be completed on patients entering treatment, anytime an increase in phase is implemented, and at Annuals. It is the responsibility of the Intake Coordinator to get patient's Intake Results. It is the responsibility of the patient's counselor to get results at Increases and at Annuals.

This form must be included in patients' chart at all intakes, anytime an increase in phase is implemented, and at Annuals.

To receive the information, you must provide this form with the following information:

Patient's Name: _____

Patient's Address: _____

City

State

Zip Code

Patient's Birthday: ____/____/____
